

Cleans everything from kadhais to crockery

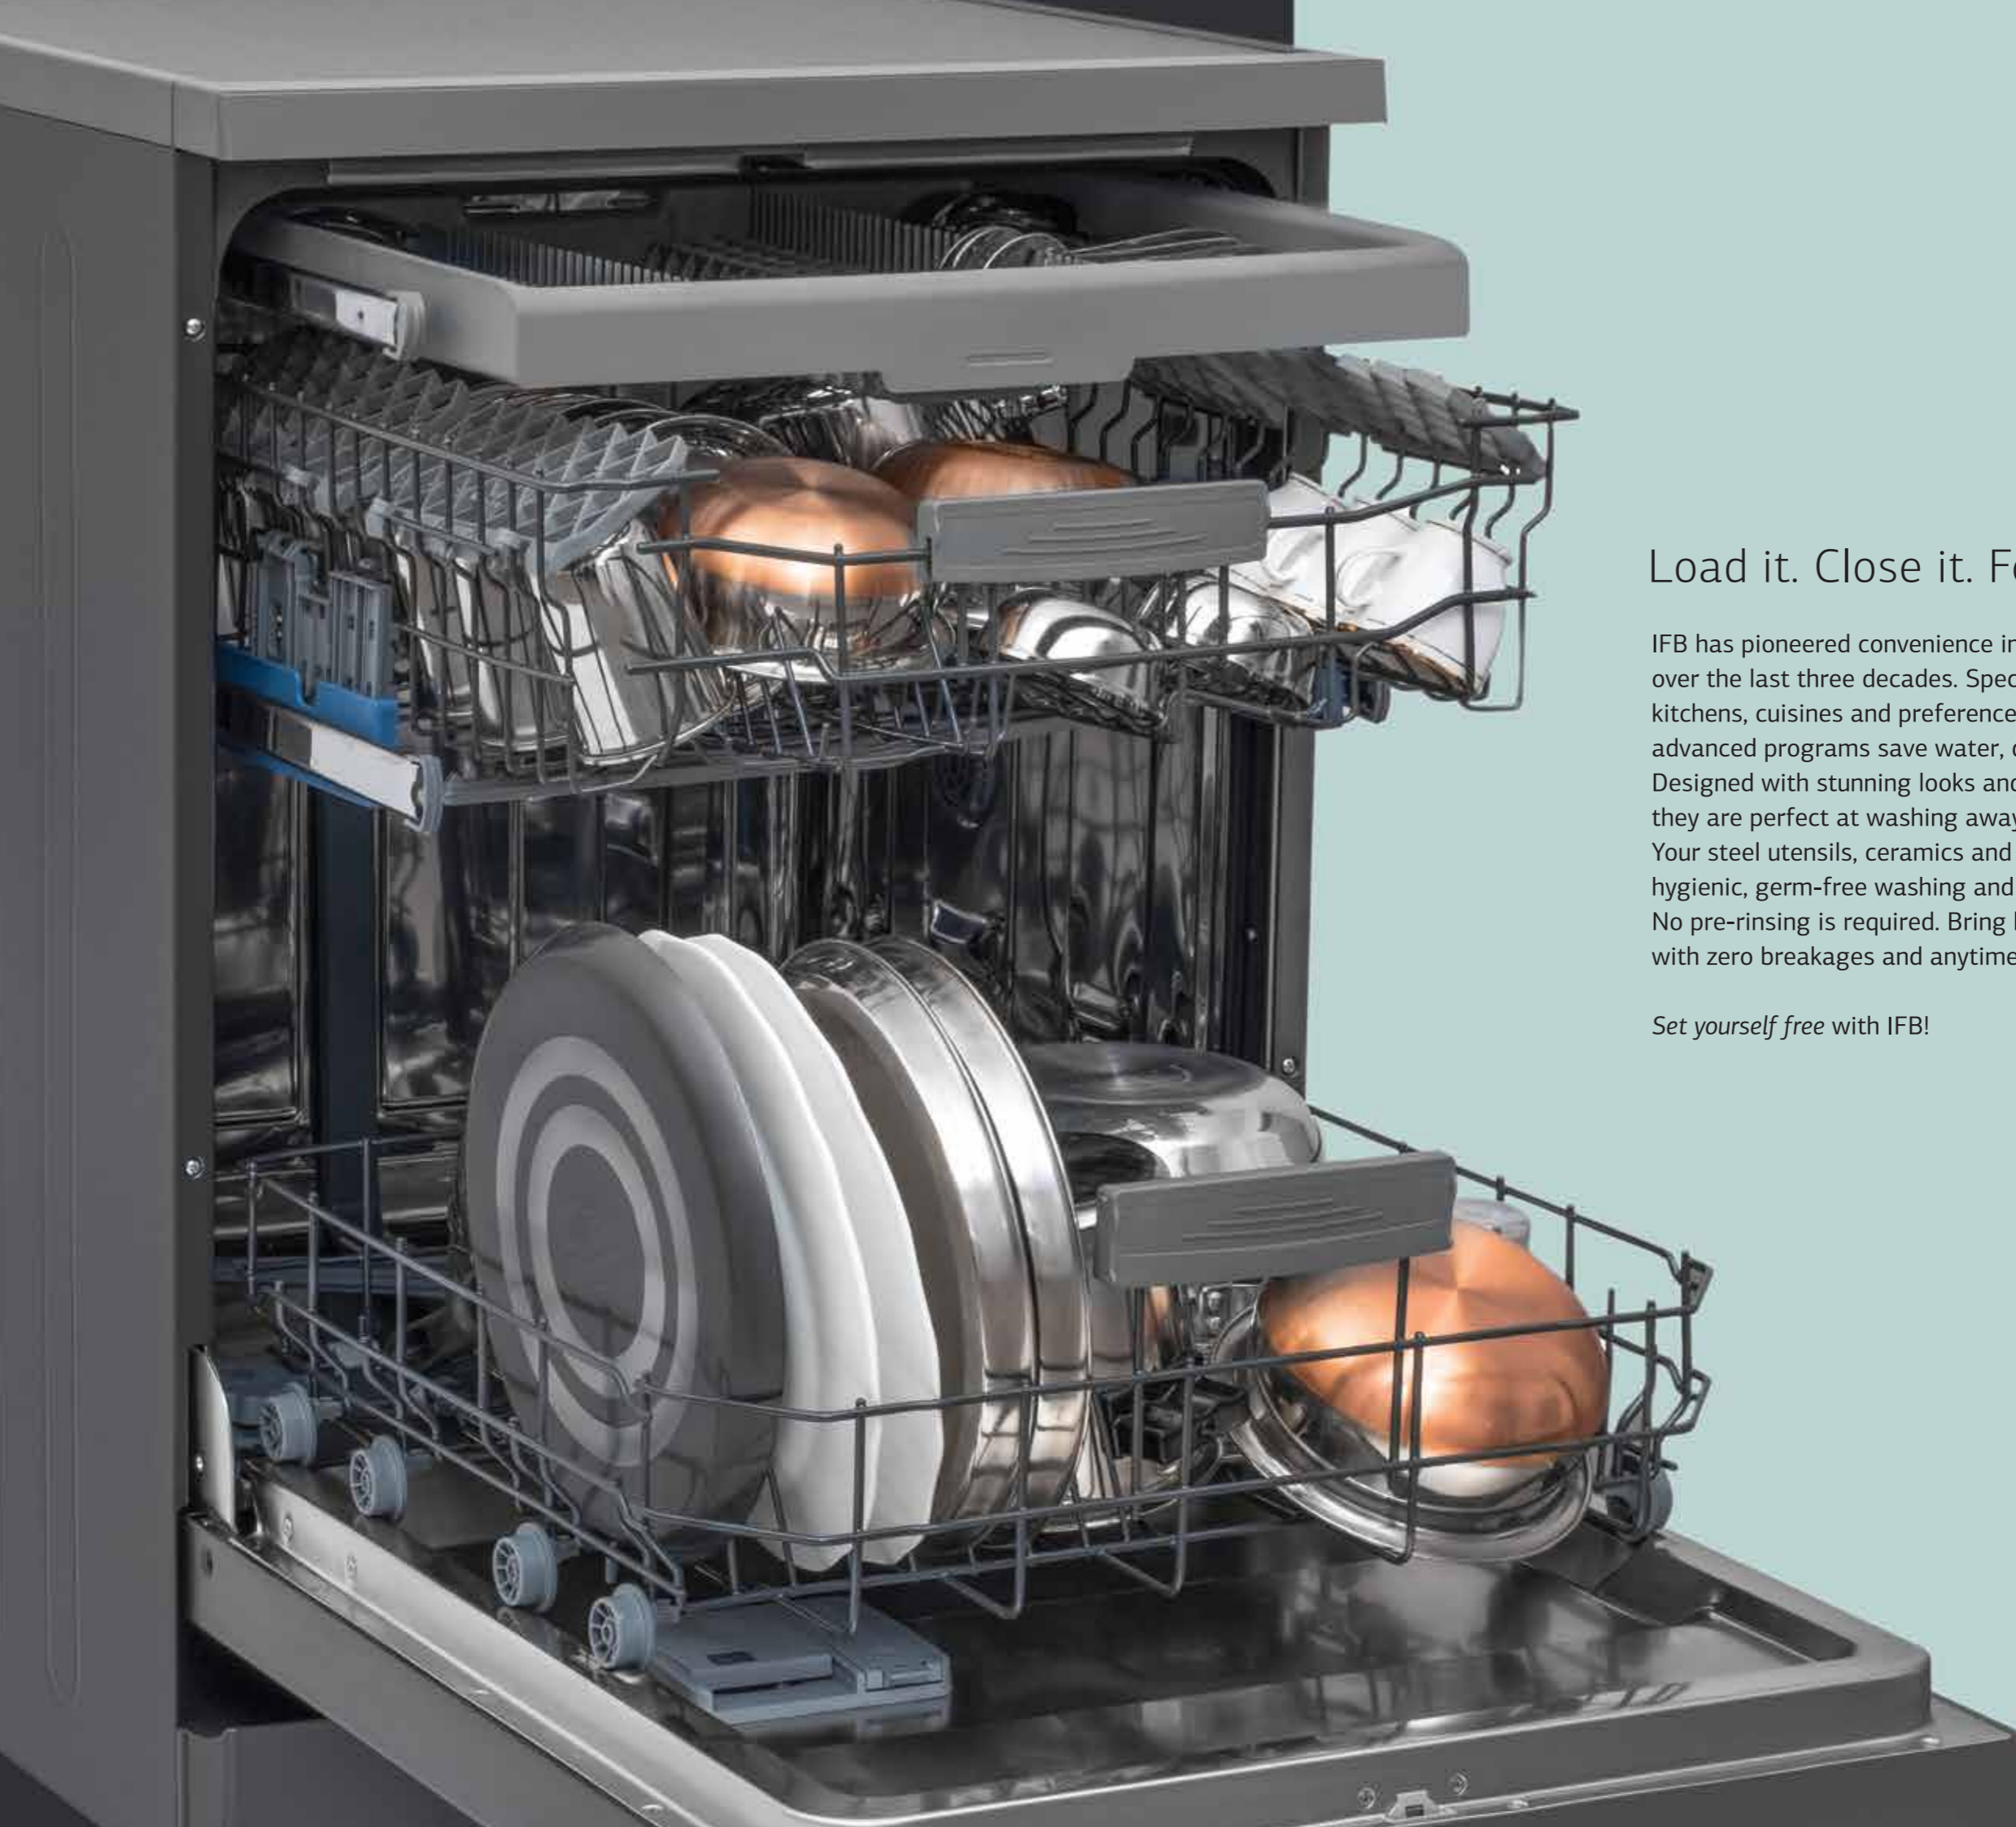

Automatic Dishwasher

Spend more time with family,
less time washing dishes.
Set yourself free!

Load it. Close it. Forget it

IFB has pioneered convenience in the Indian home over the last three decades. Specially built to suit Indian kitchens, cuisines and preferences, IFB Dishwashers' advanced programs save water, detergent and energy. Designed with stunning looks and innovative features, they are perfect at washing away masala and oil stains. Your steel utensils, ceramics and glassware will receive hygienic, germ-free washing and spotless drying. No pre-rinsing is required. Bring home peace of mind with zero breakages and anytime dishwashing.

Set yourself free with IFB!

KEY FEATURES

PERFECT FOR INDIAN/INTERNATIONAL DISHES

Cleans and dries utensils used for daily use (oil and masala stained kadhais, cookers etc) as well as utensils used on special occasions (delicate crockery, plates etc).

SAVES WATER

Uses 9 L* of water in Eco Mode as compared to hand washing, which uses a minimum of 75 L.

HOT WATER WASH

Efficient, hygienic cleaning of utensils at up to 70°C.

EFFORTLESS WASH

No pre-rinsing is required. Just scrape off leftovers from the utensils before loading them.

FLEXIBLE LOAD

Switch to Half Load for washing fewer utensils.

INBUILT WATER SOFTENING DEVICE

Softens water up to 800 ppm*.

**External water softener required for water hardness above 800 ppm.*

Bring home the advantage of IFB dishwashing

Are you still washing dishes by hand? Does your domestic helper occasionally break your favourite plate or glass? Years ago, we helped millions of Indian homes stop washing clothes by hand. Now, we're on our way to doing the same with washing dishes. IFB Dishwashers offer you the most hygienic wash in the shortest time possible using the least amount of resources. What's more, each load will help you save 66 L of water. *Set yourself free with IFB!*

DISHWASHING vs HAND WASHING

 <p>IFB Dishwasher 15 minutes to load and unload</p>	 <p>IFB Dishwasher Hot water wash + strong detergent + steam drying</p>	 <p>IFB Dishwasher None—Hands free washing</p>
 <p>Hand Washing 30 minutes to wash, air drying (1)</p>	 <p>Hand Washing Room temperature water + dish soap wash + air drying</p>	 <p>Hand Washing Hands become dry and rough over time</p>
TIME	WASH TYPE	IMPACT ON HANDS
 <p>IFB Dishwasher 9 L per load onwards (2)</p>	 <p>IFB Dishwasher 30 g per load (4)</p>	 <p>IFB Dishwasher Excellent (6)</p>
 <p>Hand Washing 75 L per wash (3)</p>	 <p>Hand Washing 90 g per wash (5)</p>	 <p>Hand Washing Normal</p>
WATER USAGE	DETERGENT USAGE	HYGIENE
 <p>IFB Dishwasher None</p>	 <p>IFB Dishwasher 24 x 7</p>	 <p>IFB Dishwasher ₹35,000 (One-time cost)</p>
 <p>Hand Washing Frequent</p>	 <p>Hand Washing 8 hours a day, 6 days a week (domestic helper)</p>	 <p>Hand Washing ₹84,000 (7)</p>
BREAKAGES & SCRATCHES	AVAILABILITY	COST

(1) = **30 minutes** Based on internal tests with utensils used for meals for a family of 4

(2) = **Water consumption in Eco Mode** Actual consumption, as per internal test report

(3) = **Water flow for 15 minutes with a flow rate of 5 L/min** Flow rate of a standard kitchen tap

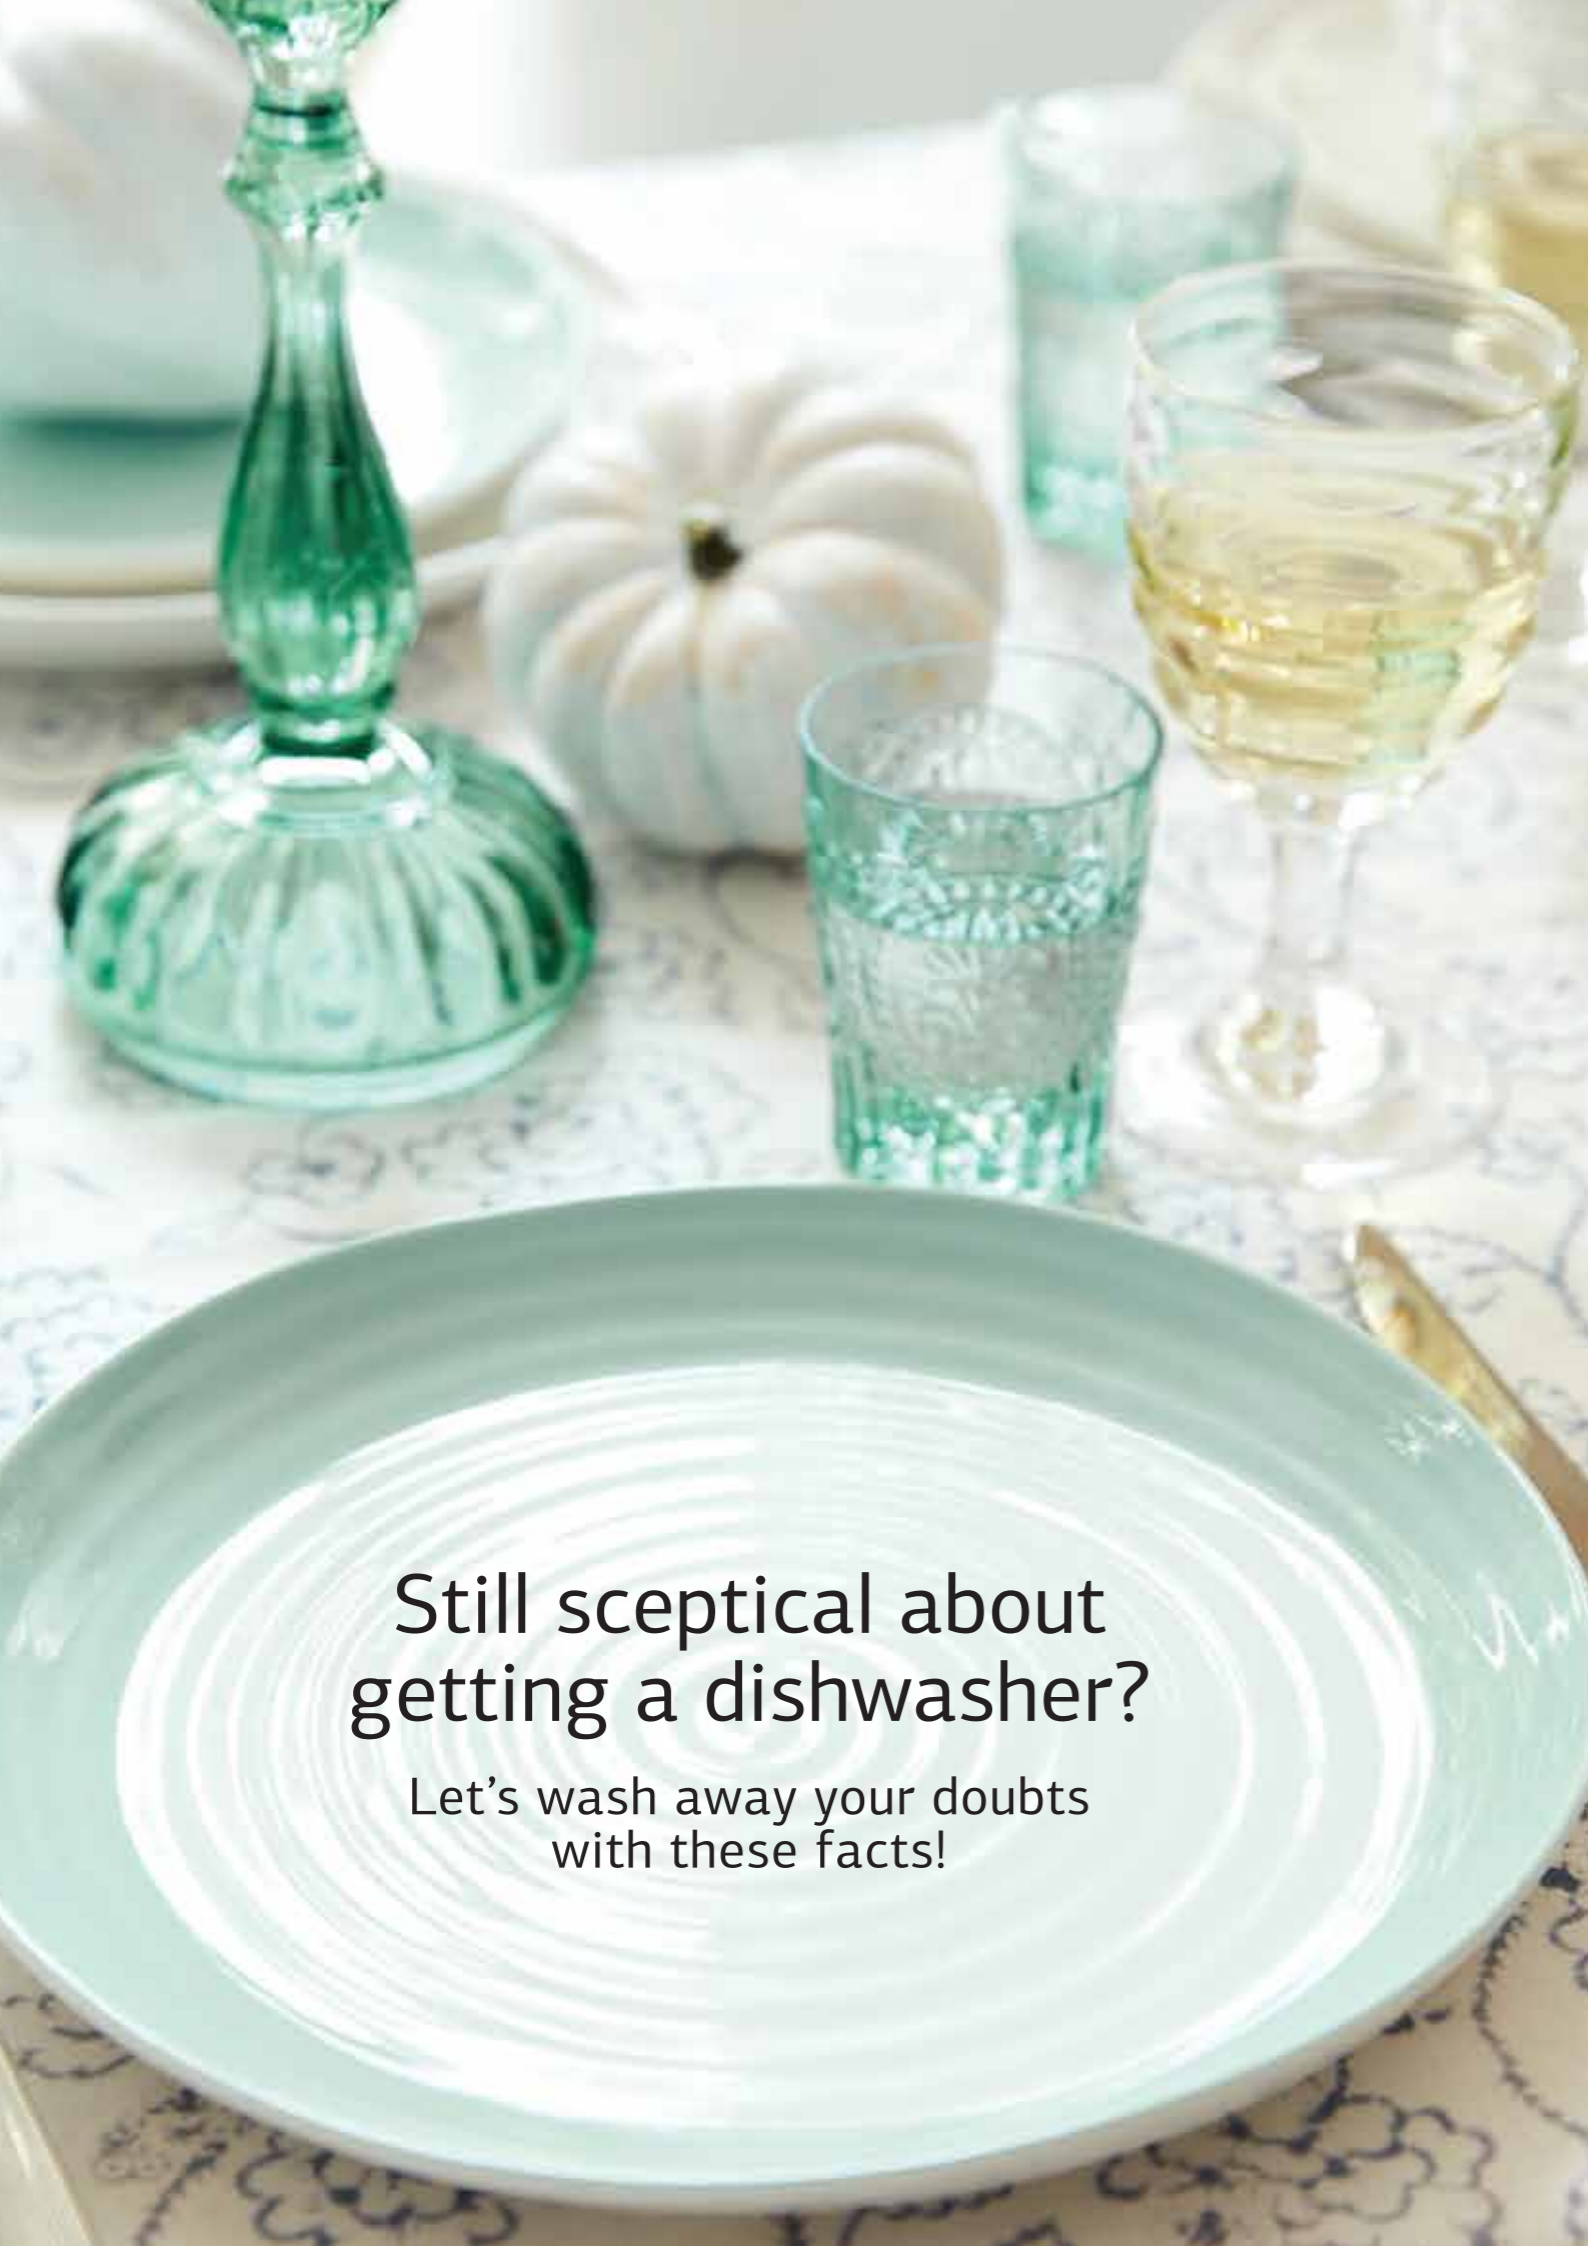

(4) = **Detergent consumption** Actual consumption, as per internal test report

(5) = **Detergent consumption** Approximate consumption as per internal test reports

(6) = **Excellent wash** Due to hot water wash, strong detergent and steam drying

(7) = **Domestic helper cost** 7 years cost @ ₹1,000 per month

Still sceptical about getting a dishwasher?

Let's wash away your doubts with these facts!

MYTH/FACT

Myth

Oil and masala stains cannot be washed in a dishwasher

Fact

IFB Dishwashers have special programs for these. Use the Heavily Soiled or Pre Wash program on your IFB Dishwasher to tackle stubborn stains and food residue on utensils.

MYTH/FACT

Myth

Pre-rinsing by hand is needed for clean dishes

Fact

No pre-rinsing is required. With IFB Dishwashers you don't need to pre-rinse by hand to get immaculate results. A quick scrape of the dishes before loading them is enough.

MYTH/FACT

Myth

Dishwasher uses more water than handwashing

Fact

Not true, IFB Dishwashers help you save water and the planet. To handwash a 12-piece dinner set takes nothing less than 103 litres of water. IFB Dishwashers accomplish the same task in just 9 litres of water, a saving of 70%.

MYTH/FACT

Myth

Crystal glasses will get scratched or break in a dishwasher

Fact

No, IFB Dishwashers have special programs to take gentle care of glassware. Your precious crockery and glassware are safe in an IFB Dishwasher with flexible place settings that hold them firmly in place and programs specifically designed for them.

MYTH/
FACT

Myth

If there is a power failure, I'll have to reload the dishwasher

Fact

No it will continue from where the wash cycle was interrupted
IFB Dishwashers are programmed with an Auto Restart feature meaning they continue their wash cycle from where it stopped, in case of a power failure.

MYTH/
FACT

Myth

Non-stick kadhais and saucepans cannot be washed in a dishwasher

Fact

IFB Dishwashers handle all utensils with ease
Flexible racks and foldable wires make the IFB Dishwasher ideal for Indian kitchens.
Wash every type of utensil easily.

MYTH/
FACT

Myth

Do dishwashers completely fill up with water when operating?

Fact

No, only the bottom of the dishwasher fills with water
Dishwashers use as little water as necessary.
Tiny jet holes in the spray arms that rotate, spray water on everything inside, making efficient use of water, detergent and energy.

MYTH/
FACT

Myth

Washing at lower temperatures is more eco-friendly

Fact

IFB Dishwashers use a higher temperature for a shorter duration
Lower temperatures do not remove all types of food residue. IFB Dishwashers are programmed for optimal use of resources—water, detergent and energy.

6 STEPS FOR SPARKLING DISHES

1

Scrape leftovers

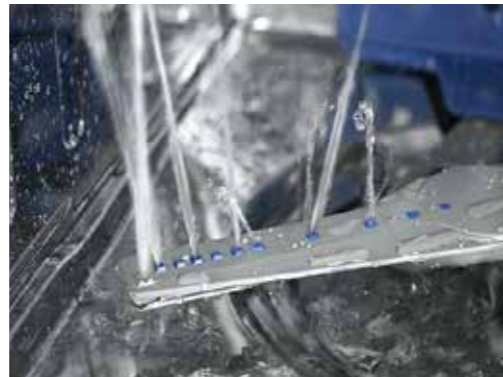

Load lower basket with the dishes in the plate holders and the kadhais upside down

2

3

Load the upper basket by placing dishes upside down

Ensure the Water Spray Arms are not blocked

4

5

Load the detergent or tablet and Rinse Aid. Close door

Choose program and press the Start button

6

Tips

1. Avoid overlapping utensils when loading the dishwasher.
2. Place larger utensils on the lower basket.
3. Load the utensils from the inside of the dishwasher to its outer side.
4. Place Indian stainless steel plates on alternate racks to allow water flow between them.

Note Use detergent, salt and Rinse Aid meant for automatic dishwashers only. Do not use normal washing powder, common salt, vinegar or any other substance. Rinse Aid prevents water spots, resulting in sparkling clean and perfectly dry utensils.

ONE STOP DISHWASHING SOLUTIONS

ESSENTIALS

All your dishwashing essentials—detergent, salt, Rinse Aid, deodorising fragrancr and easy dosing all-in-1 tablet—delivered right to your doorstep or available for purchase at your nearest IFB Point.

DISHWASHER TABLETS

All-in-1 care with Shine Boosters, removes stains and grease and adds a lemon scent

AUTODISH Rinse Aid

Prevents water spots and streaking on your glasses and other crockery

TOTAL FRESH All-in-1 Dishwasher Care

An eco-friendly dishwasher deodoriser with the goodness of natural citrus oils

AUTODISH Dishwashing Salt

Protects your dishwasher from limescale and softens water for a spotless wash

AUTODISH Dishwashing Detergent

Its special anti-bacterial formula removes tough stains like grease from your dishes
